

Renewal in the Risen Christ Campaign

“We ourselves feel that what we are doing is just a drop in the ocean. But the ocean would be less because of that missing drop.”

Mother Teresa of Calcutta

What is it?

1. This is an assessment and a renewal of our commitment to the Cathedral of the Risen Christ parish. It is a two-fold campaign to increase involvement in activities as well as helping pay our deficit bills.

What is the plan?

1. The Campaign addresses our financial situation, but it also survey's our parish needs and resources.

How will it work?

1. You will receive a letter in the mail.
2. In that letter, there are contribution envelopes for a one-time contribution or a weekly contribution. A survey will also be enclosed.
3. We are asking you to begin using the envelopes next week and fill out the survey and return it to us, or fill it out through survey monkey.com.
4. The survey's will be compiled and your interests and expertise will be sent to parish coordinators who will then contact you for involvement and your needs.
5. We will increase our parish income and be able to meet parish needs as well as being able to increase the service and communal life of the parish.

Please help us by filling out the survey to better help you and help set our new direction for Cathedral of the Risen Christ.
